

ESSENCE of VELVET- PROJECT HOPE

P.O. Box 91751, Sioux Falls, SD 57109

I may be just a little bear but my BIG HEART knows.....

We can each make a difference!

To date, Essence of Velvet has donated more than 11,000 Beanie Babies, toys and other items to “hurting” children and adults.

Many have included their own special message of hope while others have been “Just a Beanie” spreading a bit of cheer.

To continue this project requires LOTS and LOTS of BEANIES. You can help by donating any no-longer needed TY items (all sizes) or similar items (Boyd, Gund, etc.).

If you desire to assist with our mission of “Project Hope” or for more information, contact:
